Basking in a divine wraparound garden setting thanks to its prime corner position, this stunning Federation home occupies a 971.35sqm block (approx.). Period features and contemporary comforts marry perfectly in this spacious residence which was extended seven years ago to create a light filled family hub at the rear. It flows seamlessly to an entertaining garden oasis where expansive grounds offer plenty of room for a pool (STCA). Private and peaceful with an upper level reserved as a parents' retreat, the property would suit families seeking a home with true soul that's also practical and convenient. Despite the tranquility, Chatswood's shopping/dining hubs and Chatswood Station are footsteps away, with a bus stop on the doorstep.
